

# Darling Downs Radio Club Inc

**Management Committee Meeting  
Monday 8th March 2021 7:00 pm  
Community Venues, Level 3  
Toowoomba Regional Council Library  
off Victoria Street**

**If you have matters to be raised please bring  
them to the attention of Management or  
Steering Committee Members**

**Visitors Welcome**

**Equinoxes 21st March and 21st September**

**Fig 19.22 — Cross-section of a transequatorial signal path, showing the effects of ionospheric bulging and a double refraction above the normal MUF.**

**Transequatorial propagation peaks between 5 PM and 10 PM during the spring and fall equinoxes, especially during the peak years of the solar cycle. The lowest probability is during the summer.**
